Minutes of 28 April meeting

Subject to final comments from the Review Team, the note of the 28 April meeting was agreed. It should be published on the Review website. **Action WH, KM**

Media Update

KM updated the Review Team on media and press related issues.

Data Mining

JN updated the Review Team on the progress being made with respect to the forensic analyst who has been engaged by the UEA to examine the emails from the compromised CRU server.

Peer Review

On the evening of 10 May, Dr Richard Horton, chief editor of The Lancet, presented his paper which gave an overview of the peer review process in the context of the issues being considered by the Review. He agreed to make further input to the paper in light of the

discussion. It was agreed that Elizabeth Wager would be invited to make an input to the updated paper.

Progress on the Report

The Review considered further the report layout with a chapter-by-chapter discussion. Review Team members to reflect on the comments made as they continue to work on the report chapters. **Action All**

The Review Team discussed handling and publication issues in relation to the production of the report.

Review Meetings

The Review Team discussed the scheduling of future meetings.
